of the Year

Escape to the garden in a bespoke outdoor living space

A studio, summer house, office, bar, personal retreat, a place to entertain friends or just watch a film in peace.

The possibilities are endless.

Providing a cost effective solution to additional living space.

Rustic or Contemporary

We can help you with design ideas to create and build a unique space to suit your exact needs – including lighting, heating, cooking facilities, and even a built-in toilet or shower.

We fully comply with Building Regs.

Our buildings are allowable under permitted development in most areas.
